28th May 2021

Dear Parent/Carer

As we approach this May half-term with a sense of optimism, I would like to take this opportunity to say "Thank you" for your continued support of all we do at Mill Green.

It has definitely been a more consistent and structured period since Easter, thankfully with fewer disruptions.

In planning ahead for September, we are approaching a busy period of staff recruitment. I am pleased to inform you that joining the senior leadership team for one school year will be Clare McNally, whom many of you will already know from Lansbury Bridge; amongst other things this will help with transition.

John Thompson will remain as Head of School, and I have agreed with the governors to slightly defer my retirement until Christmas, working two days per week for the school.

Other teaching and teaching assistant appointments will be made during June, as we expand our student numbers slightly.

I hope you can enjoy the forecasted sunshine and we will look forward to welcoming the students back on Wednesday 9th June.

Best Wishes

Warren Brooks
